ENVIRONMENTAL RESPONSIBILITY

We strive to reduce the environmental impact of our products not only because it's right, but it's also good business to reduce energy consumption and waste.

Interio panels have been certified according to the

Greenguard Indoor Air Quality (IAQ) certification program for low emissions.

The manufacturer warrants to help you: (1) extend the life of your Interio furniture, (2) avoid the effort and cost of disposal and ultimately (3) recover the residual value by:

- Reconfigure and/or relocate your workstations
- Reupholster and refurbish your Interio panels
- Determine the fair market value of your furniture
- Buy back your used Interio furniture for cash

MAXIMUM DESIGN FLEXIBILITY

Hinge actuated base cover for easy repeated access to cabling.

TECHNICAL SPECIFICATIONS

Panels

Complies with ANSI/BIFMA M7.1 2011, X7.1 2011 & e3 2010

- **Frame:** Wire Welded 12 Ga. cold rolled steel (finished in black powder coating)
- **Trims:** rounded, solid aluminium extrusion (finished in textured grey powder coat)
- **Width:** 2¾ in. width load bearing panel, with cabling channel
- **Glides:** Leveling glides with 3 inch height adjustment
- **Base covers:** cold roll steel finished in textured grey powder coat with hinge actuated mechanism for cabling access.

Wiring System Components

Made in USA by **Tyco Electronics Corporation** - UL listed 5804
Certified to pass Underwriters Laboratory electric wiring testing
Flexible metal conduit insulation: 250 volts 20 amp.
For use in environmental air as per NEC article 300.22 (c).
Wires: E132579, 10 AWG 600 volts - MTW, THHN or THWN

Storage Units

Pedestals and overhead storage are manufactured to meet:

American standard ANSI/BIFMA x5.9 - 2004

Australian standard AS 5079.1:2003

- Full extension ball bearing slides
- Full width recessed drawer pull
- Cam lock with removable key core

Fabrics

Grade 2 by: Guildford of Main, (Interface Fabric),
manufactured to meet:

ASTM E-84 class 1 or A

California - Technical Bulletin 117, Sec. E (CS 191-53 class I)

Grade 1 by: Response Fabrics, manufactured to meet:

California St. - Technical Bulletin 117, Sec. E (CS 191-53 class I)

British Standard - BS5852:1990 Part 1 Source 0 (cigarette)

Authorized Dealer

15 YEAR LIMITED WARRANTY

The manufacturer, warrants its products to be free from defects in material and workmanship from the date of the original purchase, for normal commercial use for the applicable warranty period of fifteen years. Surface wood veneer is warranted against unusual wear or deterioration for a period of five years. Drawers, slides, hinges, locks and all other moving components are warranted against structural failure for three years. This limited warranty is the only express warranty given and does not cover damage, breakage, or loss after manufacture arising from accident, misuse, exposure to water, excessive loading or failure to maintain the product properly, nor scratches resulting from normal use. This warranty applies only to the product, and not to any other loss, or consequential damage caused by any product defect. All warranties implied by state law, including the implied warranties of merchantability and fitness for a particular purpose are expressly limited as set forth above, with the exception of any warranties implied by state law as hereby limited, the foregoing express limited warranty is exclusive and in lieu of all other warranties of INCO concerning the repair or replacement of any components or products. This limited warranty gives you specific legal rights and you may also have other rights which vary from state to state. This warranty is effective only to the original retail purchaser together with the sales invoice.
